

## SUMMER CAMP

Susan jumped out of bed early Saturday morning. She was leaving today for a [down/ sat/ week] at summer camp! She couldn't wait [sow/ dim/ to] get on the bus and head [dog/ for/ was] camp. Susan ate her breakfast quickly. [Date/ Then/ Four] she went upstairs to finish packing [done/ lazy/ her] clothes. "Don't forget to pack your bathing [gall/ suit/ with]," her mom yelled up the stairs. "Don't [yellow/ rather/ forget] your toothbrush and soap, either." "Alright, Mom, I [cane/ won't/ drop]," Susan called back.

Susan packed enough clothes [for/ keep/ date] a week. Then, she headed down [for/ the/ all] stairs with her suitcase. Susan's mom [drove/ from/ since] her to school. Susan climbed onto [had/ the/ slip] bus with her other friends. She [river/ waved/ upon] out the window to her mom [it/ of/ as] the engines of the bus warmed [or/ is/ up]. The bus headed off to camp [form/ with/ ask] all of the kids cheering in [their/ happen/ quit] seats.

Susan looked out the window [in/ be/ at] the scenery passing by. She saw [up/ the/ bet] hills change into mountains slowly as [from/ jail/ they] drove from the city into the country. [Told/ Were/ The] houses gave way to green fields [jolt/ and/ roll] pretty flowers. Susan relaxed in her [diver/ seat/ all]. She was glad to get away [given/ from/ slat] home for a week.

Finally, the [hip/ sit/ bus] arrived at camp. The kids were [law/ wait/ shown] cabins to stay in. The cabins [were/ load/ rail] built out of wood and

had bunkbeds [and/ tie/ saw] a bathroom inside. Susan unpacked her clothes quickly. [Out/ Well/ She] could hardly wait to begin the activities.

[The/ Dog/ Was] camp counselors had lots of fun [yellow/ things/ sodden] planned for the campers to do. Susan [hardly/ played/ dipper] volleyball and basketball. She shot arrows [it/ as/ on] the archery range. She rode horses [in/ or/ be] the woods and went sailing on [for/ the/ time] lake. She made pretty things in [dip/ saw/ arts] and crafts. She played the guitar [in/ or/ do] music class. She sat around the campfire [frost/ with/ silver] the other kids and roasted hotdogs. [Dog/ She/ Tin] went hiking and swam in the swimming [pool/ pink/ frog].

When it was time to leave [given/ wait/ camp], Susan did not want to go. [Dive/ She/ Bud] was not ready to go back [or/ to/ as] the city. Susan could not wait [eat/ all/ to] tell her mom all of the fun [driven/ looked/ things] she had done at camp. Her [week/ love/ cried] at camp was a very special [part/ have/ since] of her summer.
